Video: Foo Fighters – Learn to Fly

**Run and tell all of the angels, this could take all night
Think I need a devil to help me get things right
Hook me up a new revolution 'cause this one is a lie
We sat around laughin' and watched the last one die**

**Yeah, I'm lookin' to the sky to save me
Lookin' for a sign of life
Lookin' for something to help me burn out bright
I'm lookin' for a complication
Lookin' 'cause I'm tired of lyin'
Make my way back home when I learn to fly high**

All in all it's just another brick in the wall.
All in all you're just another brick in the wall.**

Video: The Script – Hall of Fame

You can be the greatest, you can be the best. You can be the king-kong, banging on your chest. You can beat the world, you can beat the war. You can talk to God, go banging on his door.

You can throw your hands up, you can beat the clock. You can move a mountain, you can break rocks. You can be a master, don't wait for luck.

Dedicate yourself and you go find yourself.

Standing in the Hall of Fame and the worlds gonna know your name. Cause you burn with the brightest flame. And the worlds gonna know your name. And you'll be on the walls of the Hall of Fame.

You can go the distance, you can run the mile. You can walk straight through Hell with a smile. You can be a hero, you can get the gold. Breaking all the records, they thought never could be broke.

Do it for your people, do it for your pride. How are you ever gonna know if you never even try. Do it for your country. Do it for your name. Cause there's gonna be a day when you're.

Standing in the Hall of Fame and the worlds gonna know your name. Cause you burn with the brightest flame. And the worlds gonna know your name. And you'll be on the walls of the Hall of Fame.

Be a champion! Be students, be teachers, be politicians, be preachers, be believers, be leaders, be astronauts, be champions, be truth seekers.

You can be a champion!!
